【Hong Kong–Macao Exchange: Sparking Ideas for Youth Integrity Education 💡】

Recently (May 9), Mr CHAN In Chio, the Chief of the Cabinet of the Commissioner Against Corruption of the Macao CCAC, led the Teaching Materials Advisory Panel to Hong Kong. The delegation engaged in experience-sharing sessions with the ICAC, youth leaders, and a local secondary school, to strengthen capacity building💪:

✅ Exchange ideas with the ICAC and share moral education resource and anti-corruption strategies.
✅ Engage in dialogue with ICAC youth leaders to inspire new perspectives on integrity promotion.
✅ Visit campus to observe frontline moral education practices.

This exchange between ICAC and CCAC sparked mutual inspiration and generated new ideas for collaboration in integrity building of Hong Kong and Macao. The ICAC will continue to strengthen ties with CCAC, jointly advance integrity education for the youth and enhance collaborative efforts in the fight against corruption🤝.
